Wedding Ceremonies

Our main goal is to create the wedding you have always dreamed of! If you are having your wedding reception here at the Hy-Vee Conference Center and would like the convenience of having your wedding ceremony at the same location, our facility is the place for you!

Having your ceremony and reception at the same location will be an easy transition for you and your guests. The Conference Center's North Side serves as the ceremony site and has a maximum capacity of 275 people. The ceremony fee is \$1,000 and the following will be provided for you:

- Theatre style seating with a 5-foot wide center aisle
- Stage Platform (8'x8' or 8'x12')
- Lighted White Backdrop
- 2 Wireless Microphones (lavalier and/or handheld)
- Audio Visual Technician to play music
- Bridal Room
- Wedding Rehearsal

It is the couple's responsibility to provide their own officiant, ceremony music (CD/I-Pod) and decorations (altar, archways, pillars, etc.) if desired.

The Hy-Vee Conference Center's professional staff will make your wedding ceremony personal and unforgettable. We will attend to you and your guests in a courteous manner and make sure that no detail is forgotten. At the Hy-Vee Conference Center, your special day is the single most important reason we are here!
